WHERE PERFECTION MEETS FREEDOM

THE MOST ADVANCED SEWING MACHINE PFAFF® HAS EVER CREATED

THE PFAFF® CREATIVE ICON™ SEWING AND EMBROIDERY MACHINE NOW YOU HAVE THE FREEDOM TO ACHIEVE PERFECTION.

The personification of performance, our most advanced machine combines the PFAFF® legacy of maximum precision with every best-in-class feature you demand. The result is a feat of technological and engineering excellence destined to exceed the aspirations of today's sewing, quilting and embroidery artisans.

Seamless connectivity, unparalleled power, maximum workspace and complete control: everything you need to create all you envision exactly as you envision it.

BORN IN 1862 OF GERMAN DESIGN AND ENGINEERING, PFAFF® has earned an unrivaled reputation for creating sewing machines to delight those who demand maximum performance and precision in pursuit of perfection.

Today, the PFAFF® legacy is more relevant than ever before. You expect your creativity to be amplified by the most advanced technology, engineering and design. And you expect a sewing machine that is equal to your vision.

PERFECTION REIMAGINED FOR YOU.

EVERY FEATURE OF THE PFAFF® creative icon™ SEWING AND EMBROIDERY MACHINE is a promise fulfilled from PFAFF® to you, our exceptional customers. We want your experience mastering our most advanced machine to be as remarkable as the technology itself.

EXPLORE THESE CAPABILITIES, DESIGNED WITH YOU IN MIND:

BEST
IN
CLASS

Biggest Workspace

We've engineered the market's largest workspace: a 69% increase in area, 12.2in (310mm) width and 5.51in (140mm) height. We've also increased the height under the sewing head to 3in (76.2mm), allowing plenty of room for your hands.

BEST
IN
CLASS

Unprecedented Lighting Design

Our innovative lighting technology gives you the most even work light on the market for the brightest sewing experience. LED lighting is perfectly positioned at the most beneficial points to eliminate shadows.

BEST
IN
CLASS

Power, Stability and Precision

Our revamped base design reduces vibrations, giving you the power and stability you need for the most precise results. We've increased needle piercing force by more than 90% to 150 NWT for more strength.

PFAFF

Enhanced Original IDT™

Perfect your creativity with the PFAFF® Original IDT™ technology, which precisely feeds all types of fabric for perfect stitching every time. A built-in sensor will also let you know when to activate it! Together with 8 feeding segments, the most in the market, it delivers exceptional feeding for professional results.

Automatic Needle Threader

Our fully automatic needle threader is available on the most advanced PFAFF® machine for the utmost efficiency and convenience. The thread paths with telescopic thread guides allow you to use all of your favorite threads, even if they are on larger spools.

YOU LEAD. WE'LL FOLLOW.

YOU ARE THE ARTISAN. PFAFF® CREATIVE ICON™ IS YOUR MUSE. PFAFF® artisans are meticulous, with a preference for luxurious fabrics and unexpected details. They appreciate rare embellishments and have an eye for the perfect ones. Our artisan displays expertise as a sewist, quilter and embroiderer — often gifted in all. Our artisan is you. The PFAFF® creative icon™ sewing and embroidery machine will take you any place you and your creativity want to go.

Sew with the Most Advanced Technology.

PFAFF® creative icon™ brings the best of global innovations in technology to those who sew, thereby creating a new definition for the ultimate sewing experience:

- The largest, highest resolution, most intuitive and customizable full-color tablet-like display is standard.
- Enhanced IDT™ improves feeding on virtually any fabric. It now also comes with a built-in sensor that let's you know when to activate it!
- 8 feeding segments, the most in the market, delivers exceptional feeding for professional results.
- Our exclusive Stitch Creator™ gives you the freedom to develop your own original stitches, or modify any built in stitch, up to 9mm.

Embroider with the Most Advanced Design System.

PFAFF® creative icon™ allows you to imagine unlimited embroidery designs and incorporate them flawlessly into your projects:

- More than 800 embroidery options are built-in, 47 of them exclusive.
- Our patented ActivStitch™ technology gives you perfect embroidery results with any thread.
- The largest embroidery area on the market, using an optional 14.7in x 13.8in (360mm x 350mm) turnable Grand Dream Hoop.
- Comprehensive connectivity incorporates real-time project alerts and updates on your smartphone. Includes mySewnet™ cloud storage, PFAFF® SewNotice notifications app and the PFAFF® ImageStitch app.

Quilt with the Most Advanced Engineering.

PFAFF® creative icon™ is a feat of engineering prowess, designed so you can accomplish the most artistic and complex projects with ease:

- Powerful performance with the largest and brightest workspace available.
- The machine frame is created with simulation-based engineering to minimize vibrations.
- Market-leading needle piercing force achieves perfection with any fabric type or thickness.
- The largest workspace area — 12.2in (310mm) from needle to arm and 5.5in (140mm) in height — suitable for any size project and any quilting technique.

OWN THE VERY BEST FROM PFAFF®.

The PFAFF® creative icon™. Destined to satisfy sewists, quilters and embroiderers who envision perfection – and are determined to achieve it.
