Warm up to sewing!

Here's a great recipe for hot cocoa mix to keep you warm and happy while you sew!

- 2 cups powdered sugar
- 1 cup unsweetened cocoa powder
- 2 cups powdered milk or instant non-fat dry milk

In a large bowl, sift the confectioner's sugar, then the unsweetened cocoa, to get rid of any lumps. Stir in the powdered milk and whisk well until everything is combined. Add mini marshmallows to the container, if desired. This can be kept in the pantry for 6 months.

Add ½ cup hot water to ½ cup mix and enjoy!

(I sometimes use ½ cup coffee for a mocha taste!)
