A Community Meal

**5% of all machine purchases go toward The Banquet.**

At J&R we believe in giving back to the community. We encourage our staff members to volunteer to help the community through charity events, missions, churches, and other volunteer opportunities.

Our Help-Us/Help-Others Charity Vacuum Program has donated well over 2,500 vacuums to needy families.

**Help Us~Help Others  
Trade~in program**

J & R will give you a generous trade-in allowance for your present vacuum toward any full sized vacuum.

J & R will then recondition your trade-in at our expense & donate it to a needy family.
