The journey starts now!

Imagine a sewing machine compact enough to whisk away to a sewing class, or fit in your bookshelf. Now, imagine this same machine is chock-full of features designed to meet the high demands of the PFAFF® sewer. The PFAFF® passport™ line is specially designed for small spaces, as well as going places such as classes, retreats or any sewing journey. It is your license to venture out in the world and discover new ways and new places to sew! No limits. Just freedom.

PERFECTLY COMPACT

Discover how surprisingly light, yet powerful, perfection can be. Although the PFAFF® passport™ sewing machines only weigh 14.7 lbs (6.7kg) or less, they are equipped with technology such as the original **IDT™ System**, two **LED light sources**, and other exclusive, reliable PFAFF® features. The PFAFF® passport™ models are built to make sewing easy so you can effortlessly achieve the professional results that you are looking for whether you are sewing at home or on the go.

PERFECTLY INSPIRED

The sleek, compact design of the PFAFF® passport™ models alone starts your creativity flowing. The eye-catching detail of the **Stitch Menu Tab** unveils a stitch selection fit for any desired project. Choose from a variety of up to **100 inspiring stitches** with up to 7mm stitch width; buttonholes, decorative stitches, quilt stitches, needle art stitches and satin stitches, plus, an impressive appliqué pin stitch.

With the complete range of optional PFAFF® **Original presser feet** at your

disposal, there's more than plenty of room to expand your sewing skills and let your inspiration take you wherever it leads you.

PERFECTLY DEPENDABLE

You will quickly discover and grow attached to the number of convenient features packed into the PFAFF® passport™ line sewing machines. With only the touch of a button you set your needle to automatically stop **up or down** in the fabric, for pivoting, appliqué and other special techniques.

The **29 needle positions** allow you to place the needle exactly where you want it – perfect for topstitching, quilting, inserting zippers and more.

Gain full control of every stitch on any sewing project. Simply adjust speed, thread tension and presser foot pressure as desired for special techniques or different fabric types. The **extra-high presser foot lift and electronic piercing power** are ideal for thick fabrics and multiple layers. Your PFAFF® passport™ sewing machine is ready for any challenge.

IDT™
THE ORIGINAL
FROM PFAFF®

PERFECTLY EVEN FABRIC FEED

Advanced technology lets you sew any fabric and through multiple layers – without worrying if the fabric pieces will match at the end of the seam.

The PFAFF® original **IDT™ System** guarantees the optimal feed you expect on all kinds of fabric. Everything stays in place. Lightweight and silky fabrics don't pucker; stripes and plaids match perfectly; curved seams are easy, with very little pinning required.

The original **IDT™ System** is exceptional at feeding small fabric pieces for maximum precision and professional results. Your PFAFF® passport™ sewing machine moves from a single layer to multiple layers effortlessly and even sews over bulky seams with no hesitation. The results are gorgeous sewing projects with amazingly precise details.

The passport™ 3.0 model has 100 beautiful stitches including many 7mm stitches.

Your passport™ sewing machine is fit for a prominent place in your home.

The Thread Snips button (passport™ 3.0 only) cuts on command. Threads are pulled to the back for a perfect finish.

Two LED light sources that illuminate your sewing space with no shadows.

Create beautiful free-motion effects with the optional Open Toe Free-motion Foot.
